ECOBLOOM PULPWARE LLP

Nurturing  
Nature  
With Every Meal

We are Manufacturers of Sustainable & Biodegradable Bagasse Products

# WELCOME TO ECOBLOOM

Ecobloom is on a mission to reduce plastic waste by offering eco-friendly biodegradable products made from bagasse, a natural by-product of sugarcane. At Ecobloom our passion for trees runs deep. We envision a future where humanity lives in perfect harmony with our natural surroundings, breaking free from the confines of concrete screens. Our dream is for the coming generations to experience the joy of lush nature free from plastic and pollution.

## OUR MISSION

Our mission is to revolutionize the tableware industry with high quality, biodegradable products made from bagasse. Thus saving our nature from the poison of plastic and minimizing the carbon foot print on our planet.

## OUR VISION

To lead in nature friendly practices, while protecting the environment at every stage of our product life cycle. And serving our society and people with a purpose to protect and preserve our nature and planet.
